Isabel Torres Moliner, Lola Soriano Puche : Espacio espacial (In-genio series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Espacio espacial (In-genio series):

Complete with cardboard cut-out dominoes and sticks for hands-on learning, the books in this series for parents and teachers teach math and spatial orientation skills using fun and engaging games that reinforce basic numeric operations, calculus strategies, problem-solving, and task fulfillment.

About the AuthorIsabel Torres Moliner is a primary and secondary school teacher. She is the author of several classroom math ancillary products and newspaper articles in her native Spanish. Lola Soriano Puche is a primary school teacher.
