Avery Cardoza : Essential Blackjack Wisdom before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Blackjack Wisdom:

0 of 0 people found the following review helpful. This is a great book for the new playerBy Mark TThis is a great book for the beginner who wants to learn the basics of Blackjack.This book is very basic, there are no chapters on card counting.The format is easy to read and the author explains the game in a simple concise way.The best thing about this

book are the many pages of illustrated sample hands and the proper way to play them. I highly recommend this book for anyone wanting to learn the game; this is not the right book for someone who is at the intermediate level looking to become an advanced player. 0 of 0 people found the following review helpful. Good HelpBy Kindle CustomerI bought this for my husband and he loves it. A friend who had a newer edition recommended it. We compared editions and they were exactly the same except his had a better grade of paper. My husband said he has already used some of the tips and is very happy.

Using a completely new approach to the art of winning at blackjack, this book contains the essentials and general winning strategies, plus a wealth of tips, along with seventy challenging and instructive play-by-play hands in a fun question and answer format. Every real situation is covered exactly as you'll face it when playing at a casino. Cardoza also shows you the reasoning behind every decision, so you are better-informed and a more knowledgeable blackjack player. Illustrations. 144 pages
