Five Stars By John Laing Wonderful addition to the library of advanced players. 2 of 2 people found the following review helpful. great book By hey2amy Not much more to say other than if you get this book and play these songs, if you like it as much as I did, you will say it's a great book.

(Instructional). This collection consists of two acclaimed series of study material for trumpet: Orchestra Etudes (which takes excerpts from the trumpet parts of well-known orchestral scores and develops them into study material), and Last Etudes (which consists largely of modulating scales). Both series are for the advanced student and offer invaluable material for the study of phrasing and for warm-up drills.
