Eve is the best game about spaceBy Lya ValentyneAs for me, Eve is the best game about space, but it has both pluses and minuses. Pluses: Eve charms with its globality, it has interesting plot and beautiful gameplay. Minuses: It's hard to learn and play alone,

you have to donate money to upgrade your ship fast. I really liked this game, so I bought this guide. The author did a great job, gathering all the useful information about the game in it. With this book all the minuses of the game vanish. 5 stars from me!0 of 0 people found the following review helpful. it is probably better than original would beBy Vesna TomicEven though it is not official guide, it is probably better than original would be. Ive learned so much about this game (specific strategies I could never thought of myself, and tips on how to progress in the game, beat your opponents, acquire more coins and currency, etc.) It was easy for me to get into world of exploration, epic battles, empire building, and economic warfare, and learning through this guide helped me with my skills.
