Everything You'd Better Know About the Record Industry by Gary Greenberg. Brooklyn Boy Books,1996

Everything You'd Better Know About the Record Industry is "must" reading for anyone seeking to engage the music business professionally. Everything You'd Better Know About The Record Industry is about how to find success in the music business and how to make money doing it. by answering all the questions -- especially those that the novice wouldn't even know to ask! Included are over 150 pages of contracts and their explanatory notes, information on obtaining recording and publishing deals, understanding how royalties are calculated, choosing the right manager, and what it takes to start your own record company. Comprehensive and comprehensible, this is an urgently recommended addition to the reference shelves of every music department and community library collection. -- Midwest Book
