**Mr Ian Carroll : Everything You Ever Wanted to Know About Pokemon Go** before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything You Ever Wanted to Know About Pokemon Go:

The ULTIMATE 'Secret Santa' gift, for the avid Pokemon Go fan. The book contains absolutely nothing, just the title

at random points on the page throughout! The book is blank and sold as a joke for people who dislike Pokemon Go or a joke to play on people who absolutely love and adore the game - would make an ideal Christmas Present. Just wait until they open their present to find a book on their favourite or least favourite hand held game! Watch them look annoyed or laughing with joy as they flick through the quality blank pages!! The book would be ideal to use as a notebook and will amuse and thrill your family and friends!!
