From Hal Leonard : Evita before purchasing it in order to gage whether or not it would be worth my time, and all praised Evita:

Excellent sheet music!By Heather MI got this for my sister for Christmas and after I looked through it when it came in the mail, I have full confidence she's going to love it. She'll be using it to learn the vocals but it looks like it would do well for someone wanting to learn to play the songs on the piano or guitar as well. The way it's bound could make it hard to stay balance and open on a music stand though. But other than that small detail, the notes and words all look correct and this would make a great gift for the singer or musician in your life who loves Evita0 of 0 people found the following review helpful. Three StarsBy GnomieRosiel don't enjoy the keys as much for the movie as the original. Another Suitcase is especially low!0 of 0 people found the

There are some songs to the cd that I would have wish was on this book.One song download would have cost me \$5...why not get the "whole" book of music...and I did.

(Vocal Selections). The songbook for this movie musical spectacular features 12 beautiful Andrew Lloyd Webber/Tim Rice songs. Includes the Oscar-winning single "You Must Love Me" and the mega-hit "Don't Cry for Me Argentina," plus: Another Suitcase in Another Hall * I'd Be Surprisingly Good for You * On This Night of a Thousand Stars * She Is a Diamond * Waltz for Eva and Che * and more.
