Raymond Brock : Expert Defence: Learn To Master One of the Hardest Areas of the Game of Bridge before purchasing it in order to gauge whether or not it would be worth my time, and all praised Expert Defence: Learn To Master One of the Hardest Areas of the Game of Bridge:

Since defense is played twice as often as declarer, these lessons are twice as important, and rely on expert communication. "Before you see dummy," partnership cooperation, expert techniques and losing options are all

addressed, ending with a master class.
