Mike Helm : Exploring Pedigree Handicapping's Newest Frontier before purchasing it in order to gage whether or not it would be worth my time, and all praised Exploring Pedigree Handicapping's Newest Frontier:

0 of 0 people found the following review helpful. Four StarsBy Reginald EilandGave some info. But was looking for sire ratings in the style of Mazur. Unfortunately can't find it anywhere.0 of 0 people found the following review helpful. I'm sure when this book was published it was a ...By Barry M.I'm sure when this book was published it was a valuable resource. Now that pedigree information and ratings are greatly available on line in past performances (Bris, Timeform US, and Equibase), it now seems outdated. For the price it may still be worthwhile purchase but other sources have surpassed it in usefulness.0 of 0 people found the following review helpful. Too muchBy Darcy WilliamsThis isn't the fault of the book. I have just found the information to be a little more "dense" than I had anticipated. I'm an amateur at tracing pedigree even though I have owned horses all of my life. I WILL keep working on getting through it, however. It has valuable information.
