Peale Although I do feel the font is huge (bigger than I thought it would be), I certainly don't need reading glasses to work on these puzzles. Because the font is so huge, you don't get as many puzzles as you usually do. However, my first college degree was Family and Consumer Science, so I had fun with these puzzles, plus it was very familiar vocabulary. 0 of 0 people found the following review helpful. Five Stars By Customer My grandma who is in a nursing home loved it. 0 of 0 people found the following review helpful. Five Stars By customer Very good, Dad loves it

Our Extra Large Print Word Search Books Are PERFECT For Anyone With Vision Problems! When we decided to make a series of extra large word search books we never dreamed how many lives we would touch. We have received

so many glowing reviews from people that bought them for a loved one that had vision problems like macular degeneration or are legally blind and it makes us so happy that we can bring a little joy into their lives. If my Mom were still with us she would be smiling as the idea came from her frustration with store bought large print word search puzzle books. You see, the print in those books just wasn't large enough for her failing eyes so I designed a series of Extra Large word find books for her and she was thrilled when we gave her our first one. This fun book features words that are all about food: There are 50 Food themed puzzles each having 20 words. The left page has the word clues in two columns and is the largest font possible for an 8.5 x 11 book! The right page has the puzzle which also fills the entire page. The answers to the puzzles are all full-page and conveniently placed in the back and numbered to match the actual puzzles; Puzzle 1, Puzzle 2, etc. I am confident that even those with the poorest eyesight will be able to work these extra large word search puzzles. Just do a Look Inside to see how large the clues and puzzles are and then order one for yourself or a loved one today!
