This is challenging enough that she doesn't speed through them and the print size is large enough for her to want to do them. She really enjoys this book.1 of 1 people found the following review helpful. Keeps you SHARP!!!!By JackieI buy these for my 94 year old mother. Extra Large Print Bible Word Search - New Testament Edition If you know the story behind our popular large print word search books you know that my Mom complained that her "large print" word search puzzle books were too small so we came up with a line that met her approval :) Little did we know at the time that there are some folks that have extremely poor eyesight and cant even see our large print books! Having poor eyesight all my life this bothered me so once again I went to the design team and challenged them to make the largest possible word search book they could and this is the result. There are 50 puzzles each having 20 words. The left page has the word clues in two columns and is the largest font possible for an 8.5 x 11 book! The right page has the puzzle which also fills the entire page. The answers to the puzzles are all full-page and conveniently placed in the back and numbered to match the actual puzzles; Puzzle 1, Puzzle 2, etc. I am confident that even those with the poorest eyesight will be able to work these extra large word search puzzles. Just do a Look Inside to see how large the clues and puzzles are and then order yours!
