She is 78 years old and can't get around as much as she used to so she likes quiet activities like this when she's sittingBy emcerbusI should have mentioned in my review of the New Testament Extra Large Print Word Search that my mom loves these particular word search books because they use words from the Bible. They are challenging but not to the point of frustration. She is 78 years old and can't get around as much as she used to so she likes quiet activities like this when she's sitting. A wonderful "brain sharp" activity and very reasonably priced for what you get.0 of 0 people found the following review helpful. Five StarsBy Monica L. Highbaughmy mother is having a ball with this book!0 of 0 people found the following review helpful. Great Book needs less answer puzzles in the back.By CustomerToo many answer pages in the back. It took up to much if the book.

I bought them for my mother who has Alzheimer's. She needs more searches and less answers pages but she loves the huge print!!

New Testament Edition Is Now Available At: <http://www.amazon.com/Extra-Large-Print-Search-Bible/dp/1508571074> Extra Large Print Bible Word Search - Old Testament Edition If you know the story behind our popular large print word search books you know that my Mom complained that her "large print" word search puzzle books were too small so we came up with a line that met her approval :) Little did we know at the time that there are some folks that have extremely poor eyesight and cant even see our large print books! Having poor eyesight all my life this bothered me so once again I went to the design team and challenged them to make the largest possible word search book they could and this is the result. There are 50 puzzles each having 20 words. The left page has the word clues in two columns and is the largest font possible for an 8.5 x 11 book! The right page has the puzzle which also fills the entire page. The answers to the puzzles are all full-page and conveniently placed in the back and numbered to match the actual puzzles; Puzzle 1, Puzzle 2, etc. I am confident that even those with the poorest eyesight will be able to work these extra large word search puzzles. Just do a Look Inside to see how large the clues and puzzles are and then order yours!
