By By the SeasidePerfect for the older customer. My mother sits for hours with these books. They are easy to read and she enjoys the Biblical themed words.

By Doris D. HamiltonBought For My Elderly Mother,, Enables Her To Do An Activity That She Enjoys!!

Includes Proverbs And Space For Notes If you know the story behind our popular large print word search books you know that my Mom complained that her "large print" word search puzzle books were too small so we came up with a

line that met her approval :) Little did we know at the time that there are some folks that have extremely poor eyesight and cant even see our large print books! Having poor eyesight all my life this bothered me so once again I went to the design team and challenged them to make the largest possible word search book they could and this is the result. There are 50 Proverb themed puzzles each having 20 words. There is a page with 5 popular Proverbs with a Study Notes page next to it. You then turn the page for the Clues and Puzzles based on those verses The left page has the word clues in two columns and is the largest font possible for an 8.5 x 11 book! The right page has the puzzle which also fills the entire page. After 5 puzzles there is a new set of verses and puzzles to do. The answers to the puzzles are all full-page and conveniently placed in the back. I am confident that even those with the poorest eyesight will be able to work these extra large word search puzzles. Just do a Look Inside to see how large the clues and puzzles are and then order yours!
