Our Story: My Mom complained that her store-bought "large print" word search puzzle books were too small for her failing eyes so we designed these Extra Large Word Search books with her in mind and she loved them. Buyers of our books have been delighted with them and have commented that they are perfect for anyone with vision problems like macular degeneration, legal blindness, etc. I am confident that even those with the poorest eyesight will be able to work these Extra Large Word Search puzzles. Do a Look Inside to see how large the clues and puzzles are and then order for yourself or a loved one!
