**L D Crowie : Extra Large Print Word Search** before purchasing it in order to gage whether or not it would be worth my time, and all praised Extra Large Print Word Search:

Formatted in 24 point Verdana font 'Extra Large Print Word Search' is ideal for anyone who suffers from very poor eyesight but who still wants a challenge. There are 1600 words to search for in a very eclectic mix of topics. There are also a few mystery puzzles which have no word list, for those who want a bit more of a challenge. Please note that the grids in the book are in larger font than they appear to be in the 'Look Inside' preview facility on the website. Providing many hours of entertainment, this book will make the perfect gift for anyone with very poor eyesight. Whether you call them word seeks, circle a word, word finder, word squares, word grids, find a word or word search it's still the same heap of fun. L.D. Crowie publishes puzzles under his own name and under the Puzzled Zebra

Imprint. These puzzle books are only available on Amazon.
