Bought this as a gift for my niece as she just started learning piano. The book as supposed to be new. I was disappointe when I received it. It is not like a brand-new book. Too many folding marks on the front and back cover. And the edge of the book is black. Not sure if it is the printing issue. Looks it's been on the shelf for a long long time. I'm going to return it.1 of 1 people found the following review helpful. Five StarsBy li anGreat songs! I love the variety of pieces!0 of 0 people found the following review helpful. Five StarsBy
