Casey Loe : Fable (Prima Official Game Guide) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fable (Prima Official Game Guide):

A definite recommend to any first time Fable players.0 of 0 people found the following review helpful. Good condition ok priceBy LazThe strategy guide helped tremendously as RPG games are not really playable without them. The guide was in good condition and didn't have torn pages or missing pages that im aware of . The price was decent.0 of 0 people found the following review helpful.
