Don't BUY ITBy Aaron PalmquistI was expecting a professional guide not something that has a lot of misspellings and stuff that anyone who plays for 60 min would already understand or catch all of it if not already know everything that was in it.0 of 0 people found the following review helpful. Brief collection of known informationBy sigNothing new in this guide, but it does pull several bits of known information into a quick primer on stats and settlements. Don't expect details on how electricity works, etc.0 of 0

Gave me some time to look at the possibilities and what direction I wanted in my character to develop at. And, some of the tables are good for building settlements. 4But nothing the game gives anyways. I have heard that Bethesda has come out with a more clearer and deeper instructions on the game. Something that was missing at 4's inaugural debut.
