**David Bird : Famous Leads And Defences (MASTER BRIDGE)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Famous Leads And Defences (MASTER BRIDGE):

0 of 1 people found the following review helpful. Best book dealBy cyberdictionI ordered this specialized bridge book on defense which was out of print. I paid \$2.99! It was in most excellent condition for a book 20 years old. Delivery was prompt. This was the best book deal I've ever made on , maybe even including yard sales!

How good are your opening leads? And how effective are your tactics in defence? On each deal David Bird sets the scene and you must then choose which card to play. Turn the page and you can compare your efforts with those of the great champion who originally held the cards. By the time you have reached the end of this book you will be infinitely more confident of your defensive play.
