There are many options out there to choose from so make sure you're picking a piece that is suited for you. This booklet is clearly written and has some good suggestions for fingerings. I would listen to this piece before buying it to see if you like it. Though you could argue that this piece had some educational value with the quick chord progressions. About misc Shipped fast and in new condition, it maybe could be argued that it's a little expensive for a sheet of music. You pay for the quality of the paper it's printed as well as the quality of Clarity of notes 1 of 1 people found the following review helpful. Great By Ben Beautiful piece of music that is presented

excellently with great artwork and a nice feel to it. 1 of 1 people found the following review helpful. Good Editions for Teaching By Laura A. Hoffman I used this for an intermediate student. The print is a good size and all the fingerings were very helpful to her. I would buy from this publisher again.

This edition of the famous Mozart piano composition was prepared from the original 1804 edition, and includes fingering and performance suggestions by the editor.
