**Hubert Foss : Fantasia on Greensleeves** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fantasia on Greensleeves:

for piano duet A fairly simple arrangement of this piece adapted from his opera 'Sir John in Love.'

About the Author In the fifty years since his death, Vaughan Williams has come to be regarded as one of the finest British composers of the 20th century. He has a particularly wide-ranging catalogue of works, including choral works, symphonies, concerti, and opera. His searching and visionary imagination, combined with a flexibility in writing for

all levels of music-making, has meant that his music is as popular today as it ever has been.
