Doesnt tell you anything the game doesnt tell you. the screen caps are small, and are a black and white blurry joke there are no maps no instructions on how to get to the hard to get to areas, no guide on where certain types of rare animals or resources can be found, and to top it all off it seems to be written in broken english, or rather by someone whose native tongue is not english. AVOID.0 of 0 people found the following review helpful. TerribleBy

CustomerNo it was horrible. Do not buy this book !!! Its in black and white which it mentions nouthing of, and its not even a guide. It talks about downloading a stupid app . Buy the official one0 of 0 people found the following review helpful. Not worth it.By Patrick L. HagertySorry. This is a cheap, crappy little book with minimal useful information. Save your money. It will be better spent elsewhere.
