As in the first game, without the guide, your pretty much stuck. It's an Action RPG, so you need all the help you can get, the guide explain every detail, level, and hidden gems the game has to offer and that I missed the first time I played it. So grab the game and guide and enjoy it.0 of 0 people found the following review helpful. thank you Fear Effect 2: Retro Helix strategy guideBy silver-moonThis is what i needed for the game it help's a lot.0 of 0 people found the following review helpful. very nice book just like brand new shipping very fast great seller.By michael cheslockVery happy with this purchase thank you very much.
