John Teagle, John Sprung : Fender Amps: The First Fifty Years before purchasing it in order to gage whether or not it would be worth my time, and all praised Fender Amps: The First Fifty Years:

Authorized by Fender and researched by industry veterans, this book covers the company's entire amp line-age from Leo Fender's first KF amp in 1945 to today's Custom Shop line. Includes detailed model features, specs, and part charts; rare catalog reprints; classic ads endorsements; hundreds of photos; and background info on amps in general.

Features a 40-page full-color section, complete with a two-page pullout group shot of over 60 amps!
