0 of 0 people found the following review helpful. worth it By Timothy Clancy it is worth the money if you are going to play the game and don't like going back and forth all the time. 0 of 0 people found the following review helpful. Good stuff By Clinton Douglas It helps to have a good book to guide you through the pitfalls and other stuff that you should know! I just wandered and wandered not knowing what to do next. Since I have this it helps TREMENDIOUSLY!!! 11 of 11 people found the following review helpful. DO NOT BUY THIS BOOK. IT SUCKS! By kane317@fcmail.com This book leaves out so many important parts it's sad. Also, the amount of errors just keep

adding up. Every time I look at it I find a new typo, error, or missed information.

With breathtaking graphics, an absorbing story line, and extensive gameplay, this is one of the hottest titles of the year. RPG expert Ron Wartow takes readers on a guided tour of the Final Fantasy VII world, including side quests and secret areas. Readers will find a complete walkthrough of the game, plus powerful magic spells, weapons, and other essential items that will keep them alive and on the path to victory.
