Vincent Reo : Finding Hot Horses before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding Hot Horses:

1 of 1 people found the following review helpful. Finding Hot horses By Gary Wiley I expected a book about finding long shots which the title indicates so. I didn't find it plausible at all.

A professional handicapper shares the insights, secrets, and savvy that'll lead you to profits at the track. At last, a horse racing handicapping book that is effective and easy to understand. Finding Hot Horses shows you a system that works and can lead to many profitable track outings. The author, an owner and professional handicapper, takes you step by step through a process that tells you how to spot winners that the average overlooks.
