Lassal : Fingerspelling Word Search Games - 36 Word Search Puzzles with the American Sign Language Alphabet: Volume 01 (Fingerspelling Word Search Games for Adults) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fingerspelling Word Search Games - 36 Word Search Puzzles with the American Sign Language Alphabet: Volume 01 (Fingerspelling Word Search Games for Adults):

1 of 1 people found the following review helpful. A Fun Way to Learn By C. White I bought this because my children and I are taking beginner ASL courses. This book caught my eye because I thought it would bring some fun to the

learning process. The book is thinner than I expected, but still engaging, nonetheless. The only qualm that I have is that they print is a bit on the smaller side. It makes it harder to distinguish which letters are being signed without having to use the key provided in the front of the book. All in all, I am pleased with this book and my kids really are enjoying the games while learning at the same time. 0 of 0 people found the following review helpful. LOVED IT By Yvette Jenkins IT'S PERFECT 0 of 0 people found the following review helpful. LOVES IT By Debbie Schmidt I bought it for my husband and he loves it very much and said it is really challenges so hard and wants to have more books like this book!!!
