Benjamin Garth, Jeffrey W. Cowan : Fire Eating A Manual of Instruction before purchasing it in order to gage whether or not it would be worth my time, and all praised Fire Eating A Manual of Instruction:

1 of 1 people found the following review helpful. VERY basic.By Erin BenzVERY basic as I said. You get a bit of info on the subject, but you can get just as much on youtube. In fact I found more on youtube....2 of 2 people found the following review helpful. Hot Stuff!!!By J. O'HaraA good book with tons of infomation. I might even try it someday when all my insurence is paid up and I can afford the big mistakes explained in the book.0 of 0 people found the following review helpful. can't beat this bookBy R. MiddletonThis is the book for fire eating.I do not recommend that you do fire eating, but if you are going to...learn from this book.
