Alfred Sheinwold : First Book of Bridge before purchasing it in order to gage whether or not it would be worth my time, and all praised First Book of Bridge:

1 of 1 people found the following review helpful. I was already one of the best players thereBy Donald GregoryForty years ago, I decided to learn how to play bridge. Decided to learn by myself. Got my hands on a lot of beginner books and got more and more confused. Somehow I stumbled on this book and everything became clear. If you are starting to learn how to play this game you HAVE to get this book. Attending my first group social bridge night, I was already one of the best players there. I have had a fulfilling career had a tournament bridge player and it all began with the book. Buy it !!0 of 0 people found the following review helpful. Five StarsBy Ruth ReingoldVery helpful4 of 4 people found the following review helpful. From Back Cover ~By Sandi3147First Book of Bridge is a simple guide for beginners. Its concise diagrams and instructions make it possible to play correctly in a few hours of reading and practice. A full summary of point-count bidding is included.The fourteen lessons in this book will give the beginning player the sound knowledge of fundamentals which is the basis for self-confidence in play. Experienced players will also benefit from the author's reminders and practical suggestions.
