Many of them you can find either the show on DVD or a cast recording that will give good context information. The keys are good, I sightread through a bunch of the songs using the accompaniment CD and found at least 3 I really wanted to learn, with another 7 or so that I was also interested in. I think I can use this book for a long time, and expand my repertoire with great audition and performance material. 1 of 1 people found the following review helpful. Great for all levels By Genevieve Taylor I've been using this book with my vocal coach, and it's wonderful. The accompaniment CD (can be purchased separately,

make sure that you're buying book and/or CD as desired) is great, and the songs are a nice variety of very familiar Broadway favorites to a few more obscure songs that I'd never heard of and quickly grew to love. 1 of 1 people found the following review helpful. i was disappointed that most of the songs were unfamiliar and from ...By Jeanne Leameri was disappointed that most of the songs were unfamiliar and from very old musicals. i was hoping for a mixture of old new....

(Vocal Collection). Joan Boytim is the leading American expert in teaching young voices.
