Sean Egan : Fleetwood Mac on Fleetwood Mac: Interviews and Encounters (Musicians in Their Own Words) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fleetwood Mac on Fleetwood Mac: Interviews and Encounters (Musicians in Their Own Words):

1 of 5 people found the following review helpful. Wasn't what I'd hoped....By Tracy in Tulsa Was bummed to see I'd

already read all of these interviews. 1 of 1 people found the following review helpful. InvaluableBy W. Decker
Invaluable collection of interviews and articles from over the years. Takes you back to the release of each major album as it was covered at the time. Much more interesting to me than a traditional narrative biography.

Fleetwood Mac was a triumph from the beginningtheir first album was the UKs bestselling album of 1968. After some low pointswhen founder Peter Green left, some fans felt that the band continuing was sacrilegeLindsey Buckingham and Stevie Nicks joined, and their 1977 album, Rumours, became one of historys immortals, a true classic that remained on the charts for years and in the public's affection forever. In the press, the ethereal Californian Stevie Nicks, the tormented rocker Lindsey Buckingham, the dignified English rose Christine McVie, the blunt-speaking John McVie, and the loquacious Mick Fleetwood have all regularly been astoundingly candid. This collection of interviews across the entirety of Fleetwood Macs career features articles from such celebrated publications as Crawdaddy, New Musical Express, Circus, Creem, Mojo, Goldmine, Classic Rock, Blender, and Elle, as well as interviews that have never previously appeared in print. Here is the only place you can learn the Fleetwood Mac story from the band members own mouths.

"A wonderful collection that serves as an in-depth and comprehensive study of the life and times of Fleetwood Mac. As I spent more than eight years living with the band as an intimate companion, reading these revelatory interviews was beyond bittersweet." Carol Ann Harris, author ofStorms: My Life with Lindsey Buckingham and Fleetwood Mac
