If you enjoy DJ APE and a large variety of such puzzles ...By Mr Axolotl If you enjoy DJ APE and a large variety of such puzzles then you're sure to enjoy this book - I highly recommend it. Difficulty levels from easy to IQ for each type. When I saw Flower and Outside puzzles listed, I knew

I liked those types but didn't realize the sheer variety of subtypes included: CLASSIC, DIAGONAL, JIGSAW, ODD/EVEN, CONSECUTIVE, NON-CONSECUTIVE, HYPER (OUTSIDE ONLY, my personal favorite challenge), TWODOKU and KILLER (FLOWER ONLY) subtypes - 150 puzzles in all! Sometimes it is as if each puzzle is so personally designed to have it be one clue at a time, but of course these many puzzles must be somehow designed by computer, but I get challenged by many, can't do them all, but I often go back to the difficult ones and try again, find a clue I'd missed and can complete it. I plan to buy more DJ APE after this.

I have spent hundreds of hours on these Sudoku variants and still have not finished all of them. I am beginning to realize that I will really miss them when I do finally finish - they definitely grow on you. As mentioned elsewhere, there are more than just Flower Sudoku or Outside Sudoku. One of the images for the book shows the variety of puzzle types, and for each variety there are levels from easy to cool to think to brain to IQ. Segueing from one level of difficulty to the next is a pleasant way to appreciate the nuances and varieties of approach to solving the distinct types. Thanks, DJAPE, for the challenge and the pleasure.

Sudoku variants galore! 15 different kinds of Sudoku puzzles, 10 of each, adding up to 150 very special and unique puzzles, which are not available elsewhere. The basic split is into Flower Sudoku (overlapping Gattai-5 puzzles) and Outside Sudoku (with the clues thrown outside the box). However, both of the two basic varieties come in these various flavors: Classic Flower and Outside Sudoku Diagonal Flower and Outside Sudoku Jigsaw Flower and Outside Sudoku Consecutive Flower and Outside Sudoku Non-Consecutive Flower and Outside Sudoku Odd-Even Flower and Outside Sudoku But wait! That's not all! There are a few more varieties: Hyper Outside Sudoku (Windoku) Outside Twodoku (Gattai-2) and Flower Killer Sudoku It doesn't get any better than this, folks! Top quality puzzles printed on top quality paper, one puzzle a page. Enjoy!
