Thankfully the BBC made a remake in the 1990s.John Tefteller, collector of rare records, is writing a book on the Marx Brothers' radio careers, and he will include newly discovered episodes of the original 1930s show with the release. I can't wait!0 of 0 people found the following review helpful. I Love This Book!By J. HunterI love this book.0 of 0 people found the following review helpful. If you are a fan of the Marx Brothers you MUST read the book!By CustomerIf you are a fan of the Marx Brothers you MUST read the book. Alas,all but one of the episodes of this landmark series is lost. Fans can console themselves with this hilarious collection of all but one of the scripts from the series run.

This is a collection of radio scripts of the comedy series starring Groucho, Waldorf and Chico Marx which ran for six months from November 1932. They have recently been discovered and are published here for the first time.
