We are going to join they're monthly subscription because they have 800 titles and you can listen as much as you like or even once or twice a month or whenever you like.1 of 1 people found the following review helpful. Five StarsBy Kristine P.Fun, well told stories with good message for children. As an adult I like them too.0 of 0 people found the following review helpful. Three StarsBy LINThe CD case is broken.

This collection of previously released episodes will introduce new listeners to the characters and the early days of Adventures in Odyssey at a special low price! Each volume features three exciting, action-packed stories. Bible stories, character-building adventures, and historical events are all fair game for object lessons in living. Collect them

all!
