Although I'm naturally skeptical of any 'how to win playing x' type books, I loved learning the basic behind the game and numbers and odds are fascinating to think about. I am curious as to how much Mr. Scoblete has actually won in his career, enough for a house? vehicle? vacation? retire? Just curious more than anything...0 of 0 people found the following review helpful. Be ENTERTAINED longer.By Mechanical Genius ExtrordinaireGreat advice for a

"newbie". It helped me not lose my money so fast. I even walked away a winner a few times. Gambling is ENTERTAINMENT, so just expect to be entertained LONGER. Glad I bought it. 1 of 1 people found the following review helpful. NiceBy jeff rainesGave me a lot to think about on how to actually control or try to control how I toss my dice. Got to practice !!!
