Schubert By A Customer For everyone that plays the piano, this is a must-have book. This book contains four songs by Franz Schubert, Impromptu Op. 90 Nos. 1-4. The binding is acceptable. The book tries not to waste paper, as the title, copyright information, table of contents, etc. are all on the first page. There are no blank pages at the end as well. It is priced usually less than ten dollars, so it's a pretty good deal. I myself play a lot of Schubert's pieces, although I am not a large fan. I don't feel that Schubert has the best of music, although it is still good. Still, one of my favorite pieces on the piano is in this book. This song is the Impromptu Opus 90, No. 3 in G-Flat Major. This is my second favorite song

(only to the Appassionata by Beethoven). It blends a good, loud melody with a beautiful, fast-paced background of sound. It is a beautiful song, filled with well-placed crescendos and interesting use of trills and appoggios for the left hand. All in all, this is a very good book. It has quality that makes the price seem like nothing. That third impromptu is very good, as well.

Contents: Allegro Molto Moderato in C Minor \* Allegro in E-Flat Major \* Andante Mosso in G-Flat Major \* Allegretto.
