**Tabz Jones : Fractal Art Adult Coloring Book** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fractal Art Adult Coloring Book:

0 of 0 people found the following review helpful. Gorgeous work. By Kimi M. I love these pictures, just looking at them in their natural beauty is satisfying. This was bought for my boyfriend's birthday- I'll admit to a small amount of envy that he has it and I don't, but I'm okay with that! Highly recommendable purchase. 1 of 2 people found the following review helpful. To dark By Gayle. Picture very dark wish output had been lightened. 1 of 2 people found the following review helpful. Five Stars By Kalif1977. Great book.

Twenty five highly detailed grayscale coloring pages feature the fantasy fractal artwork of Tabz Jones. Fractal art is a definite product of the modern age. Where else could you use mathematical algorithms to create images? The repeating patterns of the equations are manipulated using a software program to change color, form, and shape to create a final

artwork that is a one of a kind.

About the Author Tabz Jones is a self taught digital artist who lives in Northwest Arkansas with her five amazing children, two dogs, one cat, and her very understanding husband.
