Frank Stewart : Frank Stewart's Contract Bridge Quiz Book before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frank Stewart's Contract Bridge Quiz Book:

0 of 0 people found the following review helpful. Five Stars By peter c. viaugreat6 of 6 people found the following review helpful. Intermediate Plus, Nice selection of problems By B. Einhorn There are 27 chapters (8+ problems each), each with a different theme, plus a 40 problem final exam. There isn't much instruction, maybe 2-3 pages at the start of each chapter. This isn't a teaching book so much as a collection of good Intermediate Plus level problems. It's a very good review book. It helps being familiar with all these techniques ahead of time. Trust me, you will get almost all the deduction problems wrong if you haven't read a few other books on the subject. (I'm much more rigorous in what I expect of an Advanced player. Knowing lots of conventions, basic bidding, not routinely making awful mistakes, and beating up on weak players (doing ok at a local club) doesn't qualify someone as an Advanced player.) Given how ratings are inflated, this book should probably be rated 5 stars because of all the problems (~265) and their varied nature.
