Schirmer 2004-02-01 2004-02-01 Original language: English PDF # 1 12.00 x .14 x 9.001, .44 #File Name: 063407403256 pages Will serve as a solid foundation for the technique of any player ambitious to become an artist Have been essentials in the libraries of many great teachers for years Studies address string crossing, bow-strokes, shifting and finger-patterns Includes both book 1 and book 2 Published by Schirmer | File size: 64.Mb

**From G. Schirmer : Franz Wohlfahrt - 60 Studies, Op. 45 Complete: Books 1 and 2 for Violin (Schirmer's Library of Musical Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Franz Wohlfahrt - 60 Studies, Op. 45 Complete: Books 1 and 2 for Violin (Schirmer's Library of Musical Classics):

9 of 9 people found the following review helpful. A superb resource for the self taught fiddler.  
By Timothy Byrne  
These exercises have helped me improve my technique more than any others that I've used. These really are etudes, i.e. little pieces of actual music that concentrate on bits of technique. Playing music versus scales demands more from the bow arm, so one ends up working through the technique in a manner conducive to actually applying the technique musically.  
2 of 2 people found the following review helpful. Every violinist should have this book!  
By Arthus  
I'm a lapsed violinist (played from age 8-18, then recently started again at age 28) and I bought this book based on my the positive reviews. Turns out it is the exact one my new violin teacher uses! This is a great way to practice your technique. Each piece has something different that you will work on and there are numerous bowings to practice for each one. Plus with books 1 and 2 together in one edition, this is a STEAL!  
1 of 1 people found the following review helpful. Awesome content! Easy to read print!  
By Kezia Purrs  
Awesome content! Easy to read print, unlike some of the Schirmer books!

(String). The Wohlfahrt Op. 45 Studies are a mainstay of violin study. Book 1 (50256580) and Book 2 (50256590) are bestsellers in the Schirmer Library. The entire set, Books 1 and 2 combined, is available in this new complete publication.
