Hadley Johnson : From Suzuki to Mozart: A History of the Repertoire in Suzuki Violin Books 1-10 before purchasing it in order to gage whether or not it would be worth my time, and all praised From Suzuki to Mozart: A History of the Repertoire in Suzuki Violin Books 1-10:

0 of 0 people found the following review helpful. Five StarsBy SyringaThis wonderful book would make a special gift for any Suzuki student -- or their parents!2 of 2 people found the following review helpful. This is a great teaching

resource for Suzuki teachersBy JAOThis is a great teaching resource for Suzuki teachers! The layout is clear and the information is condensed, which is a time saver for busy teachers. The appendix also includes music history games that I can't wait to try with my students.

Ever wonder which composer was almost buried alive? Curious about why Johann Sebastian Bach was sent to jail? Which composer's father stole so much money from his son's employer that both were sent into exile? The Suzuki Method has been used to nurture violinists for decades, creating generations of successful musicians through the philosophy of Shinichi Suzuki. This book brings yet another tool to the well-rounded young artist: a history of the composers and pieces that brings the Suzuki repertoire to life.

About the AuthorHadley Johnson grew up as a student of the Suzuki violin method. She studied literature and violin at St. Olaf College and violin performance at Western Washington University. Currently she lives with her dog Daisy in Seattle, Washington, where she has taught violin for over ten years.
