Chappell White : From Vivaldi to Viotti: A History of the Early Classical Violin Concerto (Musicology) before purchasing it in order to gage whether or not it would be worth my time, and all praised From Vivaldi to Viotti: A History of the Early Classical Violin Concerto (Musicology):

0 of 0 people found the following review helpful. Very goodBy Michel BassetA very good reading for any

musicologist, violonist or amateur who wants to deepen his/her knowledge about this crucial period for the development of instrumental music from the Baroque to the Classical era. Technical, but very clear. A real pleasure !

First Published in 1992. Routledge is an imprint of Taylor Francis, an informa company.

"All in all, a work of excellence recommended to all academic and professional music libraries serving students or faculty who are interested in this genre and this period."-D.G. Engelhardt of Choice, November 1992
