Original Radio Broadcasts : Frontier Gentleman: Aces and Eights (Old Time Radio) before purchasing it in order to gage whether or not it would be worth my time, and all praised Frontier Gentleman: Aces and Eights (Old Time Radio):

A less-likely western legend you'll never find than the tall, aristocratic Englishman traveling the rugged frontier on assignment for a London newspaper. John Dehner stars as J. B. Kendall, telling the engrossing everyday stories of a nation in its rowdy adolescence. Preachers and prospectors, librarians and legends, veterans and villains all fall under the gaze of this wry, understated observer -- a man who usually couldn't resist putting aside his journalistic objectivity just long enough to get involved. Enjoy 10 digitally restored and remastered episodes produced, written, and directed by Antony Ellis, and performed by Parley Baer, Virginia Gregg, Joseph Kearns, Paula Winslowe, Larry Dobkin, Harry Bartell, and more. This 5 CD collection includes both the series finale, the original audition episode (featuring Ben Wright as Kendall), and a Program Guide by Elizabeth McLeod. Episodes include: Indian Lover 09-21-58; The Gold Digger 09-28-58; The Librarian 10-05-58; Aces and Eights 10-12-58; The Preacher 10-19-58; The Rainmaker 10-26-58; The Nasty People 11-02-58; Holiday 11-09-58; Random Notes 11-16-58; Remittance Man 01-29-58
