**Rodman Sims : Fundamentals of Jazz Drumming Volume 2** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fundamentals of Jazz Drumming Volume 2:

(Percussion). Designed to take a player with basic reading skills to an advanced level of jazz drumming. Contains six sections, each with 10 pages of exercises. Includes: Eighth-Note Patterns Between the Snare and Bass Drum; Triplet Patterns Between the Snare and Bass Drum; and more. Can be used alone or with Volume 1.
