H. R. Giger : H. R. Giger's Film Design before purchasing it in order to gage whether or not it would be worth my time, and all praised H. R. Giger's Film Design:

1 of 1 people found the following review helpful. He was very happy to receive itBy Nancy A. McClellandI gave the book to my son as a gift. He was very happy to receive it. I looked at the book before giving it to him, and I thought the illustrations and the essays were awesome. Excellent choice for my boy.0 of 0 people found the following review helpful. Great Christmas PresentBy CustomerMy brother has always loved the Alien movie series, and anything to do with it. He was stoked about this book. The condition of the item was as described, and the shipping methods were eco friendly and a good fit/good protection for the book. Seller reccommended.0 of 0 people found the following review helpful. Five StarsBy CustomerExcellent !

An artist of uncompromising vision who gives free range to his brilliant, often bizarre imagination, H.R. Giger has created some of the most successful marriages of design and film in history. In this collection, Giger takes readers on a tour of his fantastic designs, from genesis through gestation to birth, for such films as Alien, Alien 3, and Species. 200 photos illustrations.

From the Back CoverH.R. Giger's Film Design details the remarkable design career of Academy Award-winning artist

H.R. Giger. Beginning with his earliest involvement in 16mm. and covering his work on such seminal films as *Alien*, this volume provides a rich overview of the work of perhaps the most influential visual designer in the history of cinema.
