E.J. Fleming, Foreword by Scott Michaels : Hollywood Death and Scandal Sites: Seventeen Driving Tours with Directions and the Full Story, 2d ed. before purchasing it in order to gage whether or not it would be worth my time, and all praised Hollywood Death and Scandal Sites: Seventeen Driving Tours with Directions and the Full Story, 2d ed.:

1 of 1 people found the following review helpful. A positive reviewBy James HeringtonI purchased this kindle edition at the price listed and it was worth every penny. My dream has always been to tour Hollywood stars homes and

filming locations. This book does all that and more, including addresses and driving directions. I am very familiar with Scott Michael's work and appreciated the fact he submitted the Forward in this guide. Excellent work, a definite recommendation to anyone that appreciates the happenings in the entertainment industry. 2 of 2 people found the following review helpful. Not historically correct in so many ways...By Anne~1536 This book has so many errors in it, it amazes me! Wrong death dates..wrong dates regarding which actor starred in what...etc. If he can't even research the correct death dates (he could have easily checked with Find A Grave) what else did he get wrong? 0 of 0 people found the following review helpful. Another Great Book From E.J. Fleming By PoodleMommy I've been a fan of E.J. ever since he wrote a wonderful biography about Carole Landis. This book is full of interesting stories and fun driving tours of Hollywood. It's great to have if you like in LA or taking a trip there. I'd recommend it to all classic movie fans.

For more than a century, people have been drawn to sites of tragedy involving the rich, beautiful and notorious of Hollywood. Tourists at the center of the movie universe flock to Rudolph Valentino's grave, the house where Marilyn Monroe died, the "O.J. murders" condo, the hotel where John Belushi overdosed, a myriad of haunted mansions. In its extensively researched and enlarged second edition, this book tells the stories of these locations and makes finding them simple. Seventeen driving tours include more than 650 sites. Each tour covers a specific area, from Hollywood and the Sunset Strip to Brentwood and Malibu, covering the entire Los Angeles basin. Concise, easy-to-follow directions are given to each location with more than 150 photos and the fascinating story behind each stop.

From the first edition: "Provides directions for 16 driving tours that encompass famous graves, haunted celebrity homes, the locations of famous murders and deaths, and scandalous locations. A comprehensive index allows you to locate your favorite stars and their infamous activities." --CRL News "Entertaining to browse." --American Reference Books Annual "Fascinating." --Psychotronic About the Author E.J. Fleming has been researching Hollywood for decades and has penned biographies of Carole Landis and Wallace Reid, among other books. He lives in the country in Connecticut.
