**Petrine Day Mitchum, Audrey Pavia : Hollywood Hoofbeats: Trails Blazed Across The Silver Screen** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hollywood Hoofbeats: Trails Blazed Across The Silver Screen:

Petrine Day Mitchum tells stories in page-turning detail, covering topics such as behind-the-scenes portraits of both famous movie horses and those virtually unknown; personal accounts from their trainers, owners, and co-stars; simple and complex horse stunts, from a fall in mid-gallop to a race across a bridge during a live explosion; and historic black-and-white photographs and richly coloured contemporary stills.
