**Colin Shindler : Hollywood in Crisis: Cinema and American Society 1929-1939** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hollywood in Crisis: Cinema and American Society 1929-1939:

First published in 1996. Routledge is an imprint of Taylor Francis, an informa company.

...this book will find its way onto dozens of college reading lists, and undergraduates will be taken by the clarity of its linkages of movies and politics, its effective blend of narrative and topical chapters, and its neatly drawn political readings of movies meant as mere entertainments...All collections.Choice, May 1997
