So this book is the 'souvenir program'. They had original models from Star Wars, Close Encounters, an early stop motion prototype of King Kong, the huge ship model from Mutiny on the Bounty, an original matte painting of Oz (it's surprisingly small) more. It's all in the book!2 of 2 people found the following review helpful. Fascinating.By Mr. Math ExpertHollywood: Legend and Reality is a great book: lots of fantastic photos and tidbits about various films. I've learned a lot. The book is broken down into 10 categories including production, screenwriting, cinematography, and star power. Every one of them has been interesting to read.
