Paul Zollo : Hollywood Remembered: An Oral History of Its Golden Age before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hollywood Remembered: An Oral History of Its Golden Age:

In Hollywood Remembered, a wide array of Tinseltown veterans share their stories of life in the city of dreams from the days of silent pictures to the present. The 35 voices, many of whom have come to know Hollywood inside-out,

range from film producers and movie stars to restaurateurs and preservationists. Actress Evelyn Keyes recalls how, fresh from Georgia, she met Cecil B. DeMille and was soon acting in *Gone With the Wind*; Blacklisted writer Walter Bernstein tells how he transformed his McCarthy era-experiences into drama with *The Front*; Steve Allen speaks out on how Hollywood has changed since he first came there in the 1920s; and Jonathan Winters relates how he left a mental institution to come work with Stanley Kramer in *It's a Mad, Mad, Mad, Mad World*.
