Dead ...By Jennifer HeilerIf you're looking for a pictorial history of the Dead End Kids and the groups that sprang from them look no further. The author covers the four movies series, as well as, the play Dead End where everything began. There are many studio portraits, scenes from the various Kids in solo performances, and even a series of portraits of Hollywood kids the average movie watcher has never heard of! If you're as interested in these Kids as I am, or you're just interested in a piece of Hollywood history, don't pass this book up. Mr Roat, could we possibly be looking forward to a part 4 at some point?2 of 2 people found the following review helpful. Great Great GreatBy maryThe author of this book makes this book a true work of art---with extraordinary pictures of the Dead End Kids as well as the Bowery Boys--there are portrait stills publicity stills a plenty--this is a must-have bookl of any fan of the Dead End Kids and the Bowery Boys--The authors first two books were great but this one all I can say is wow wow wow

The first book in this series, Hollywoods Made To Order Punks, gave you insight into The Dead End Kids/Little Tough Guys/East Side Kids and The Bowery Boys. You got to hear inside stories of who they were and what had become of them. In the second book in the series, Hollywoods Made To Order Punks, Part 2, you got to see many 8x10 stills, posters, lobby cards, plus you were able to read more of the back stories about them. Finally in part 3, there are more photographs from the authors extensive collection. Richard Roat aspires to enlighten all his readers with the artistry of this amazing group of entertainers as one turns the pages of this book. As Bim would say (while clicking his fingers together) All Gamblers Die Broke. - Jennifer Roat Richard Roat lives in Tinley Park, IL just outside of Chicago with his wife Mary and daughter Jenny. Richard retired in 2012 after many years working at a cemetery as a groundsman/gravedigger.
